

TOWN OF POCAHONTAS VIRGINIA

Community Restoration and Revitalization

Phase I

Blight Removal and Improvements - entrance signs and landscaping, new or repair sidewalks, decorative streetlights, stabilized Company Store, interpretive and wayfinding signage, and renovated buildings.

Phase II

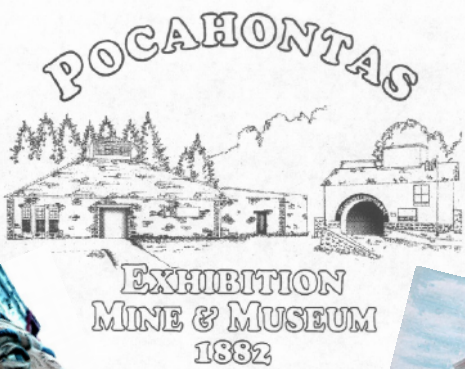

*Enhance the local economy, rehabilitate several key historic buildings, and provide affordable housing in an accessible and walkable downtown environment.

*Completion of the downtown streetscape improvements and connection to the Pocahontas Spearhead Trail (ATV).

Southwest Virginia's Spearhead Trails INITIATIVE

*Gain assistance from multiple partners to attain the Town's vision for the future and to maintain the significant heritage of our company coal town for future generations.
